

Let's Code It!

In this exciting new coding class from Afterschool Enrichment Solutions, take a deep dive into computer programming with the web-based platform Tynker!

- Learn the art of digital animation
- Create video games that run on physics, math and art concepts
 - Experiment with HTML, Python and Java
- Have fun in the Tynker playground under the instruction of a coding coach!

No previous coding experience is required to learn and have fun in the Tynker playground under the instruction of a coding professional!

Must have your own computer/device for the class. Students can sign up for coding class even if they've taken the class in the past.
Beginner to Advanced welcome!

Fall Schedule: Tuesdays, September 3rd – October 22nd, 4:30-5:30 PM

Please register by 8/27 for the early bird price of \$212.00!
