"Imagination is more important than knowledge. Knowledge is limited. Imagination encircles the world." - Albert Einstein The Creative Writing Club, brought to you by Afterschool Enrichment Solutions, is designed to ignite the imaginations of young writers, foster their love for language, and cultivate their creative expression. Through exploration of classic literature, inspiring writing exercises, creative language games and collaboration, students will explore different genres, learn and practice grammatical concepts, develop their writing skills, and build confidence in their ability to communicate effectively.
